

LIBRARY NEWS

PREMIER'S READING CHALLENGE CLOSES SOON

Dear Parents and Carers,

This is a friendly reminder that the **NSW Premier's Reading Challenge** is drawing to a close, with the final date for book entries being **Friday 19th September 2025**.

If your child is participating in the Challenge, please ensure that all completed books are **logged on the PRC website** prior to this date.

Thank you so much for supporting your child's reading journey. Whether they're reading picture books, novels, graphic novels or nonfiction, every book helps to build a lifelong love of reading.

We encourage you to continue fostering this love by making reading a regular and enjoyable part of your child's routine – reading for **leisure and pleasure** is just as important as reading for learning!

If you need any help accessing your child's PRC account or logging books, please don't hesitate to reach out to the library.

Warm regards

Ms Young
